

# Climatefutures

## pathways for society

31 March-1 April 2011, Te Papa, Wellington

Professor Martin Manning, Director, NZ Climate Change Research Institute, invites you to be part of the next big New Zealand discussion on climate change.

Forum agenda:

- ▶ Climate change and society's challenge
- ▶ Communication between science and society
- ▶ Human behaviour and our capacity to change
- ▶ Durable decision making

Also, evening cafe and breakfast panel.
